**About the City of Daegu**

The City of Daegu, home to the Korea Brain Research Institute and Daegu Gyeongbuk Medical Innovation Foundation as well as several major research universities, is a perfect host city for IBRO 2019. Daegu is also a great place to experience the traditional culture and heritage of Korea and her hospitality. Situated near the capital of an ancient dynasty, the city is surrounded by several UNESCO World Heritage Sites and is a short bus ride away. Daegu also features venues for shopping and free-time as well as evening entertainments of all kinds. The City welcomes all participants of IBRO 2019.

**Congress Venue – EXCO**

IBRO 2019 will be held at the EXCO Convention Center in Daegu, Korea. EXCO is the largest and most modern center in the southeastern region of Korea and an integral part of the Daegu metropolitan area serving its surrounding business and industr ial sectors. It is only a short distance from the airport and train stations, EXCO is always ready to welcome its guests.

**How to travel to Daegu, Korea**

You can fly directly to Daegu International Airport (TAE) from 22 cities across Asia. Daegu is also a short train trip away from Seoul (using either the ICN or the KTX train), one of the major hubs for international travel. Once in Daegu, information on local transportation to EXCO can be readily found at the airport and train stations. For detailed instructions, visit the IBRO website (www.ibro2019.org).
